## You can Support the Harris County Republican Party

This is a great time for the HCRP. We are taking huge steps forward to help keep you informed, take action, and support our local party. **Make no mistake!** The Democrats are pulling out all the stops for the elections here in Harris county. **We need your financial support today** to go on the offensive against the likes of President Obama, Nancy Pelosi, and Harry Reid. **We must not allow them to succeed.** With your support, we can continue our successful efforts.

Please join with us today by supporting our fundraising project of *Flags Across Houston*, by purchasing an 8 ft tall American Flag, that we will personally deliver to you and install in your front yard. Orders must be received by November 1, 2010 to ensure prompt delivery and Professionally installed at your home.

We hope you will show your support for the Harris County Republican Party by purchasing an American Flag for the Labor Day, 9/11 and Veterans Day National Holiday.
