

## 2010 HCRP PRECINCT CHAIRMAN ENDORSEMENTS

The Harris County Republican Party does not endorse in Republican vs. Republican Primary races as a Party. However, we are publishing the results of a 'straw poll' showing the endorsements from our individual Precinct Chairs. These endorsements reflect the opinions of local leadership at the grassroots level, and should not be construed as an endorsement by the Party in any shape, form, or fashion.

The following are the results of the Candidate Endorsement ballots submitted by Harris County Republican Precinct Chairmen. The results include only those endorsements by Precinct Chairs who reside in the political boundaries of the office in which they are making an endorsement. These are not an endorsement by the Harris County Republican Party, but only the preferences of the Precinct Chairmen who chose to participate.
