Have you ever really talked to a judge?  
Like speed dating, sitting face to face in a small group  
will give you the opportunity to ask your questions and  
express your concerns about the court system  
and to learn how it should work.

**PLEASE NOTE:**

*The entrance is NOT from the Katy Freeway. Go north on Bingle, turn right at the 1st light. Drive back to the office park. The first building on the left is 8584. Don't be confused by numbers on the entrance doors, as each one has a different number. Entrance for this event will be on the west side of the building. We will have directional signs.*
